YCFGGA would like to acknowledge the passing of Butch Ridland. Butch was a long term member and a Past-President of our Club and contributed greatly to the Club in many ways. Butch was an avid sportsman and taught a multitude of Hunter Safety classes during his lifetime. We

wish to extend our sympathy to Butch's family and friends.
He will be missed by many.

Important Alerts

Note Changes to the November and December General Meeting Dates

November General Meeting: November 20, 2025 at 7:00pm at the Lodge. Note that this meeting is one week prior to its normal schedule (last Thursday of the month) due to Thanksgiving.

December General Meeting: December 18, 2025 at 7:00pm at the Lodge. Note that this meeting is one week prior to its normal schedule (last Thursday of the month) due to Christmas.

Other Notices

Reminder: There is no shooting at the ranges on Sundays before 12:00 noon.

The Club and All Ranges, including the Muzzle Loader Range are Open. See individual sections for more information.

It is required that members accessing Club property (range and Lodge sides) must display a valid membership ID badge.

The Club House Kitchen is open every Sunday from 11:00am to 1:30pm whenever the ranges are open.

Request for Volunteers

We are currently looking for a volunteer(s) with experiencing installing Formica countertops. Our Club House kitchen needs a countertop installed to make the kitchen remodel that was started several years ago finally complete. The Club will cover all costs of materials. All we need is a person(s) time to do the installation. Contact Jordan Wessels for more information.

We also need volunteers for several outdoor projects, such as installing a metal roof on the Pistol house.

BOD and/or General Meeting Highlights

As mentioned in the August Newsletter, the Board of Directors has initiated a program to incentivize our members to volunteer for the many projects at the Ranges and the Lodge that remain on the “To-Do” list.

In lieu of making volunteering mandatory for all members, the Board is setting up a Raffle for a Muzzle Loader Flintlock. For every event that a member volunteers for, the member will receive one raffle ticket. There is no limit to how many tickets a member can get in a year. (Note that Board members will only receive 1 ticket per year). The raffle will take place in October 2026.

Note that raffle tickets will be issues to all volunteers each time they volunteer. This includes those who volunteer in the kitchen and for the Sunday shoots.

Building & Grounds

We are still looking for some help with a few projects around the range.

We need volunteers to help clean the old skeet machine for resale. Please contact (e-mail) Jordan Wessels at jhwframing@roadrunner.com.

As always we will continue to let members and the public to use our Lodge side property, but with this comes a responsibility to take care of our grounds and use some common sense.

Range News

Special Notice

Note: The Club requests that people using the ranges to empty trash cans before they get too heavy.

There have been several incidences when the gate for the Range has been closed and locked when someone was still on the Range premises. The rules concerning entry and exit of the Range and Lodge grounds are as listed below.

Note that the ranges are monitored 24/7.

- Entry / Exit – Club Grounds
 - The numbers on all the locks must be set to numbers other than the combination upon opening the lock.
 - The main entry gate to the Club – ranges and lodge - shall remain unlocked and opened while the grounds are occupied.
 - The gates must be restrained and secured while open.
 - All gates must be closed and locked upon exiting the property by the last member to leave the property.

Anyone who may need special accommodations when attending an organized shoot at the Range, the Club members running the shoot will do what is reasonably needed to provide safe modifications to ensure each member has the opportunity to participate.

Dogs on the range side of our property must be leashed at all times.

Our cameras are up and running 24/7 and have already proven to be very informative. Several incidences caught on camera have been addressed.

Another issue we are dealing with is folks stuffing cardboard backers in the trash barrels. There are wire mesh containers in both ranges for the used backers. Also, the trash barrels don't empty themselves, so when you see one getting full, please find others to help dump the debris in these containers into the dumpster.

Last of all, if you see anything that gives you concern for your safety or the club's safety, please give me (Jordan) a shout or a text.

Muzzle Loader Range

The Muzzle Loader Range is open. If there is any interest, special Sunday shoots can be scheduled.

Brass Cartridge

Brass cartridge shoots are scheduled for every Sunday starting at 12:00 noon. Sunday events consist of Pistol, Plate, Rifle, or Bowling Pin shoots. See website for alternating schedule. There is a \$4.00 fee for members and a \$6.00 fee for non-members.

Our 25 Yard Range and 100 Yard range have target backers that are range specific, and there are posted rules for each. The use of wooden stands is prohibited on the 25 yard / Pistol range. Pistol Range 20"x 20" backers are hung from the overhead cables on the provided lumber.

On the Rifle /100 yard range, use only club provided target stands with 24"x24" backers. Targets should be placed no closer than 50 yards from the bench.

Do NOT place any targets on the range floor or on the frame of the gong.

Stay OFF the Berms.
