Gate pass-codes changed effective February 1, 2026, so you'll need your new pass-code sticker to enter the ranges - so RENEW TODAY! Anyone renewing their membership after February 1, 2026 must include the Reinstatement Fee with their form.**

If you wish to continue to be a member of our Club, forms are available on our website: <https://ycfga.org/wp-content/uploads/2022/09/2023-YCFGA-Membership-Renewal-Form.pdf> and in the Lodge and Clubhouse. See the Membership section for additional information.

YCFGA History Committee

The Board of Directors is looking for members to participate in an ad hoc committee to review decades of club reports, etc. and develop a document describing the history of our club – that will celebrate its 100 years of operation in 9 years. If you are interested, please attend one of our General meetings to hear more about the committee and its mission. Participating members will earn volunteer hours.

Feedback Requested

The Board of Directors is interested in any ideas that our members may have on how to increase participation at our scheduled shoots on all our ranges (Trap/Skeet, Brass Cartridge, Muzzle Loader, Archery). An example of an idea is to replace our sign with an electronic one with easy to change messages about upcoming events (all types, including the Annual Kids' Fishing Derby. If you have any ideas, please post them on our website or send via e-mail to Walter Sullivan at blkpowder@hotmail.com.

Important Alerts

Other Notices

Reminder: Except for Sunday, all range hours are from 9:00am to dusk. Please observe this important range rule. There is no shooting at the ranges on Sundays before 12:00 noon.

The Club and All Ranges, including the Muzzle Loader Range are Open. See individual sections for more information.

It is required that members accessing Club property (range and Lodge sides) must display a valid membership ID badge.

The Club House Kitchen is open every Sunday from 11:00am to 1:30pm whenever the ranges are open.

Request for Volunteers

We also need volunteers for several outdoor projects, such as installing a metal roof on the Pistol house.

BOD and/or General Meeting Highlights

As mentioned in the August Newsletter, the Board of Directors has initiated a program to incentivize our members to volunteer for the many projects at the Ranges and the Lodge that remain on the “To-Do” list.

Partial To-Do List

- 1) Metal roof for pistol building**
- 2) Extra blocks along roadside of ranges**
- 3) Sound blankets for pistol building**
- 4) Storage closet at the lodge**
- 5) Transplant trees on berms**
- 6) Clean up archery area**
- 7) Raise trap/skeet platforms**

In lieu of making volunteering mandatory for all members, the Board is setting up a Raffle for a Muzzle Loader Flintlock. For every event that a member volunteers for, the member will receive one raffle ticket. There is no limit to how many tickets a member can get in a year. (Note that Board members will only receive 1 ticket per year). The raffle will take place in October 2026.

Note that raffle tickets will be issued to all volunteers each time they volunteer. This includes those who volunteer in the kitchen and for the Sunday shoots.

Building & Grounds

We are still looking for some help with a few projects around the range.

As always we will continue to let members and the public to use our Lodge side property, but with this comes a responsibility to take care of our grounds and use some common sense.

Range News

Special Notice

Note: The Club requests that people using the ranges to empty trash cans before they get too heavy.

There have been several incidences when the gate for the Range has been closed and locked when someone was still on the Range premises. The rules concerning entry and exit of the Range and Lodge grounds are as listed below.

Note that the ranges are monitored 24/7.

- Entry / Exit – Club Grounds
 - The numbers on all the locks must be set to numbers other than the combination upon opening the lock.
 - The main entry gate to the Club – ranges and lodge - shall remain unlocked and opened while the grounds are occupied.
 - The gates must be restrained and secured while open.
 - All gates must be closed and locked upon exiting the property by the last member to leave the property.

Anyone who may need special accommodations when attending an organized shoot at the Range, the Club members running the shoot will do what is reasonably needed to provide safe modifications to ensure each member has the opportunity to participate.

Dogs on the range side of our property must be leashed at all times.

Our cameras are up and running 24/7 and have already proven to be very informative. Several incidences caught on camera have been addressed.

Another issue we are dealing with is folks stuffing cardboard backers in the trash barrels. There are wire mesh containers in both ranges for the used backers.

Also, the trash barrels don't empty themselves, so when you see one getting full, please find others to help dump the debris in these containers into the dumpster.

Last of all, if you see anything that gives you concern for your safety or the club's safety, please give me (Jordan) a shout or a text.

Muzzle Loader Range

The Muzzle Loader Range is open. If there is any interest, special Sunday shoots can be scheduled.

Brass Cartridge

Brass cartridge shoots are scheduled for every Sunday starting at 12:00 noon. Sunday events consist of Pistol, Plate, Rifle, or Bowling Pin shoots. See website for alternating schedule. There is a \$4.00 fee for members and a \$6.00 fee for non-members.

Our 25 Yard Range and 100 Yard range have target backers that are range specific, and there are posted rules for each. The use of wooden stands is prohibited on the 25 yard / Pistol range. Pistol Range 20"x 20" backers are hung from the overhead cables on the provided lumber.

On the Rifle /100 yard range, use only club provided target stands with 24"x24" backers. Targets should be placed no closer than 50 yards from the bench.

Do NOT place any targets on the range floor or on the frame of the gong.

Stay OFF the Berms.
